# Bear Reading Program

## OCTOBER READING LOG

**October Reward:**  
**A Free Kid's Size Italian Ice**  
**Sponsored by the Rita's in Fallston!!**

**Return by: Wednesday, November 1, 2023**

Welcome to another year of the Bear Reading Program! We are excited to offer monthly reading incentives to our students and we hope to encourage strong reading habits that will lead to lifelong readers.

Our first month of the program we are going to do things a little different. For October, students will have a goal to read at least 180 minutes to receive their prize, a coupon for a free kid's size Italian ice from Rita's in Fallston!

**FREE ICE PARTY DETAILS:** To add to the excitement, Rita's in Fallston will also be sponsoring a FREE ICE PARTY to the class that has the highest average of minutes read for the month of October! (This is why we only want to track minutes read this month instead of 10 books like we did previously.)

**Parents:** We ask that you help your student track their minutes accurately and truthfully so we can fairly award the class who has the highest average. **Please initial by each time recorded each day that your child reads. At the end of the month, please record at the bottom the total number of minutes your child read for the month.** Even if your child didn't read the full 180 minutes, send in the reading log to be recorded towards the class count!
